

BUCKS COUNTY CHESS ASSOCIATION

The Fred Day Cup 2018-19

Applications are now invited for this season's Individual Tournament.

Typically, entrants will be divided into sections of about 7 to 9 players, all-play-all, and taking into account those promoted or relegated last season, together with withdrawals, and new entrants. The latter will be placed according to grading, insofar as vacancies exist, but will have to fight their way up if they don't. A synopsis of the essential rules accompanies this form: please have a good look at these – it will help to avoid disputes!

The attention of new entrants is drawn to the need to provide their own transport and playing facilities (venue, board, pieces and chess clock), as well as keeping to the playing schedule (available 11/12th November) and notifying the Controller promptly of results. Results will be published on the Bucks Website www.buckschess.org.uk periodically throughout the season.

Entrants are advised to join the English Chess Federation. As all games will be submitted for grading, the fee for **non-ECF members will be £25.00**. Bronze membership is adequate for this tournament and team competitions also, but a few pounds extra for silver or gold membership will secure reduced entry fees for congresses (see <https://www.englishchess.org.uk/guide-to-joining-the-ecf/>).

The entry fee is £4.50 for Bucks club members, with an additional £10 for unattached entrants.

Entries should reach me no later than Thursday 8th November. My contact details are:
