

## **BCCA Website – <http://www.buckschess.org.uk/>**

There is currently a redirect from the original website which will be removed once all historic content has been secured.

I believe most, if not all, clubs have their own websites and I do not want to duplicate content. On the other hand, if you would like content published please let me know. Also, please check for any inaccuracies or omissions in the clubs section.

There is not a lot that changes because Bucks League fixtures and results are managed by Steve Law's website <http://www.e2-e4.co.uk/chess-results/tables.htm> and Chiltern League information is maintained at <https://www.oxfordfusion.com/oca/index.cfm?Org=8>

## **Fred Day Cup**

It didn't happen!
